LAST MATCHES IN TENNIS TOURNAMENT EXPECTED TODAY

Harold Doyle Wins Club Title From J. U. Moorhead.

A number of fast matches are expected today in the second rounds of the men's and women's singles in the annual invitation tennis tournament which is in progress at the Chevy Chase Club. Yesterday's tennis brought out a fashionable gallery which was enthusiastic over the exceptionally good tennis presented.

The victory of Harold Doyle over J. Uphur Moorhead, champion of the Chevy Chase Club, caused general surprise, and is thought to be an indication of the good form which is to characterize the playing of the Doyle in the matches.

Attractive prizes are offered in all events. In the men's singles the Army Cup will be contested for. This cup was presented by Gen. John A. Johnston, Commissioner of the District of Columbia, and is at present held by Mr. Richard Touchard of New York. Mr. Touchard has won two legs on this cup and if he is successful this year it will become his property. The Grosvenor Cup, given by Mr. Gilbert H. Grosvenor, is offered for the women's singles. Miss Wimer of Washington has won two legs on the cup, but the cup itself is held by Miss Rotch of Boston. Miss Wimer and H. E. Doyle are the holders of the Pan-American cup, given by Mr. John Barrett for the mixed doubles, and will prove a hard team to beat in the present tournament.

Suitable cups will be provided for the men's doubles.

PUMPERS THROUGH IN CAPITAL LEAGUE

Meets Southern Railway Team, of Columbia League, Tomorrow at Sixteenth and Columbia Road—Expect to Be Able to Join Another Circuit.

"The Sewage Pumping Station team will not play today in the Capital City circuit, the team having taken all its belongings from the grounds," said Manager R. C. Monier today. "We are through there, and have given notice to the effect. The men have taken their suits away, and while every effort will be made to keep us in the Capital City League we will not play."

Following this announcement comes the statement from Manager Mohler and Vice President James C. Lynn, of the Columbia League, that the Pumping Station team and the Southern Railway team will play at the Sixteenth and Columbia road diamond tomorrow afternoon. Manager Mohler asks that all his players be present at 5:15 at the league grounds ready to play.

It is confidently expected that the Pumpers will be allowed to join the circuit after a time, and fill in on the franchise now vacated in the league. Vice President Lynn said today that he expected the deal to go through, and Manager Mohler, of the Pumpers, is more than optimistic over the outcome.

Charlie Moran, the old Georgetown player, made his debut in the Columbia League yesterday as coach of the American Security and Trust team. Moran has had a great year at the Catholic University, and developed a team which passed through a successful season. Moran formerly played with the Commerce and Labor team in the Departmental League and the Cornell team in the Capital City League. He is one of the veteran amateur players, although he has played in both of the big leagues.

Gates Rapp, left fielder of the Manhattan club in the Independence League, and Miller, pitcher of the same team, are today suffering from injuries sustained in yesterday's game against Southland. "Chilly" Jones, pitching for Southland, was exceptionally wild in yesterday's game. Both Rapp and Miller will be forced to remain idle for some time on account of being hit by Jones. In addition to the two players hit with the ball, Jones whopped three others, and made three wild pitches.

It begins to look like a repeat for Postoffice in the Departmental League again this season. The team is composed of good players who have been working together for a number of years with the result that their team work is exceptionally good. None of the other teams in the circuit approach Postoffice this year.

Carroll Institute, the Marguista League team which has been playing the "houn' dog" role for the other teams, turned yesterday and handed the Tenleytown team a beating which will not be forgotten for some time. Surprise was expressed at the showing of the Carroll team, and the officials are more than pleased with the result.

East Washington S. S. League.

Had yesterday's fifth inning been better, First might have had a chance in that round. Four of the runs were scored in the fifth inning.

Southland did not make an error in the five rounds of play, while Manhattan was responsible for three miscues. Deschard and Taylor were the batters for Southland, the former making a homer and the latter a triple in addition to another hit.

Columbia League.

The fact that regular boxmen were not present and two infielders had to be pressed into service yesterday lost the game for Brodbeck against the American Security and Trust team by a 4 to 1 score.

The Bankers are playing great ball these days, and are putting up the same clean baseball that has always marked the games in which they take part. Not an error made an appearance among the Bankers' players, thirty-eight chances in all being handled during the nine rounds. A crowd estimated at 600 people saw the game.

South Atlantic League.

Albany, 8; Jacksonville, 7. Savannah-Columbus game postponed; rain. Columbia, 6; Macon, 5.

Marquette League.

The worm turned yesterday and the Carroll team won out over Tenleytown by a 17-to-2 score. Carroll has been taking the short end of everything for a long time and got to the Tenleytown players with a will yesterday.

Departmental League.

Four Aggie players were lambasted all over the White Lot yesterday, and Postoffice scored sixteen runs off twenty-nine hits, while the Aggies got but eight runs off ten hits. Postoffice was not forced to extend itself at all during the game and took things easy.

The rather farcical contest yesterday resulted in Postoffice making eight errors. The Aggies played errorless ball, but could not get to Jimmy Kerr with any regularity.

were due to Lion's homer with the bases loaded. The score was 9 to 8.

Railroad Y. M. C. A. League.

Adams won yesterday in the last inning against the Car Department team with a score of 9 to 7. It was anybody's game up to the last inning, the result being in doubt due to the fact that the team saw-sawed in the lead throughout the nine innings of play.

Sunday School League.

Carolina players are back a forfeit game today as a result of having player Ferrell use language yesterday which did not meet with umpire Herbert's approval. The game was awarded to Sherwood at the conclusion of the fifth inning because North Carolina did not have a man to take Ferrell's place after he had been benched.

The score stood at 6 to 6 in favor of the Sherwood team at the time the game was awarded. After the game Umpire Herbert handed in his resignation, which was accepted by the board of managers of the league. Two new men will be given trials.

Independence League.

It took Southland five innings to show Manhattan the short end of a 10 to 5 score yesterday. The Southland players were in the best of form and although Jones was wild, managed to hit out enough safeties to win.

Southland did not make an error in the five rounds of play, while Manhattan was responsible for three miscues. Deschard and Taylor were the batters for Southland, the former making a homer and the latter a triple in addition to another hit.

BENEFIT GAME FOR STRANDED PLAYERS

Today at Union League Park a benefit game for the stranded members of the Washington outlaws baseball team will be played between that organization and the Washington Giants. Preferring to pitch for the unfortunate players who are left here without expense money, Stonewall Jackson will ascend the mound for the Giants.

The straw that broke the camel's back has been added to the load. With a game scheduled with Cincinnati of the United States League, the Bandits be- took themselves to Union League Park yesterday only to find the opponents bench empty and bare and a note posted on the wall saying that the Cincinnati team had made its departure for Richmond. Two more games are scheduled between these teams.

All of this, mind you, without any warning, without even a telephone message to President Mockabee, who has been struggling so hard for the past week to conduct a ball team that would reflect credit upon the Nation's Capital.

Few but who are familiar with the troubles the Bandits have encountered since their invasion of the ranks of the United States League. The circuit's schedule began on May 1 with the Washington team playing in Richmond. There was a goodly attendance. The three games of the initial series in the Virginia capital were played with much success, after which the team went to New York.

Fair Patronage.

In Gotham a fair patronage was on hand to greet the Bandits. Officials announced that enough money was taken in at the gate to pay expenses and only the most encouraging statements for the success of the organization were given out. After three games in New York, Reading, Pa., was visited, where a trio of contests were staged. The number of spectators at the games became smaller in the Pennsylvania town and when the Reading and Washington clubs came to this city they received no attention whatever from the fans.

Took Over Stock.

About a week ago Mr. Mockabee took over the controlling stock in the local team, and with a practically new team endeavored to pursue the schedule originally planned for the Bandits. He fitted his team entirely new, and but one game has been played, that being between Cincinnati and the Bandits on Sunday at the northeast park.

The break has been expected for some time. The outlaws have found their lot a hard one, and several of the promoters who expected to make a mint of money right from the start are ready to throw up their hands. The league is in a bad way in the East, its only strength being in Richmond, but the attendance there has fallen off in the last week.

Georgetown Prep and Tech in First Game Tomorrow

Initial Contest for Scholastic Title of the District.

Georgetown Preparatory School and Technical High School will play the first game of their championship series tomorrow afternoon on the Hilltop field at 3 o'clock, and a great exhibition of the national pastime should be the result, as both nines are going at top speed and both are anxious to capture the District title.

If confidence counts for anything, the Blue and Gray youngsters should be able to win premier honors in straight games, for since their victory over Central last Saturday they express no doubt as to their ability to take the Blacksmiths into camp in both games. Their record of two victories over Western High School and an even break with Central, both of which nines Tech just managed to defeat, seems to be more or less of a firm foundation for the confidence of the embryo collegians.

Marum will catch, and is being counted upon to prevent the Blacksmiths from running wild on the bases. The Proper line-up will be Martin, shortstop; McCarthy (Capt.), second base or pitcher; Dinkler, left field; Marum, catcher; Biddulph, right field; Nordling, center field; Farrell, first base; Cusack, third base; Corbett, pitcher or left field.
